

# Denis Ferranti Electronics: Visitor Information

We look forward to welcoming you to Denis Ferranti Electronics Ltd, specialists in the design, development and manufacture of electronic assemblies for the military, aerospace and civil markets.

The following information is provided to ensure that you have a safe and interesting visit.

## Directions:

If using satellite navigation please use postcode **LL57 4SP** and refer to the map below.

Visitors are asked to turn left off **Caernarfon Road** opposite 'Home Bargains' and turn right immediately before entering the **Main Security Gate** and proceed straight ahead to another gate. Go through the gate and up the slipway to a car park.

When you enter the building you must sign in and collect a visitor's pass; this must be worn and clearly displayed at all times. Please note that visitors are required to be accompanied by their host or a designated staff member when visiting all design and manufacturing areas of the factory.

## Safety:

- Your host will explain the emergency procedures and what to do if you have an accident whilst on site.
- Should Personal Protective Equipment (PPE) need to be worn during your visit you will be advised by your host.
- All mains voltage electrical items that are to be connected to a DFM power supply (including laptop chargers) must have an in-date PAT test label. Any Items without an in-date label must not be used.

## Site Rules:

Please note the following site rules:

- We operate a no smoking policy (except in designated external areas).
- You must be escorted at all times when entering restricted areas (your host will advise).
- We do not permit photography unless you have your hosts consent.

## On completion of your visit (or at the end of each day):

For security and fire roll call purposes please sign out and leave your visitor badge in order for us to amend our records. If you find you still have the badge after leaving site then please contact your host as soon as possible. If you need to leave the site and return in the same day then you must inform your host, this includes returning to your vehicle in the car park for short periods.
